

# Delta Team Projects

- Concept: Develop a program that will enable a subset of members to “take it up a notch”
- Program designed by a subset of member(s), run by them, and executed by them **or** by all members.
- Program requirements:
  - Mission Statement
  - Applied Knowledge/Skills: acquired from current charity work
  - Sustainability: designed to have the ability “to live beyond” current team
  - Relative to current ACL approved charity: design symbiotic project to benefit them or use their charity as a vehicle to execute the project.
  - Independently funded: direct fundraising effort
- Officer Positions: CEO, VP Finance, Project Manager
- Managed by Chapter Liaison Officer
